

COVID-19 CHECKLIST FOR USING THE CLUB

BEFORE LEAVING HOME

- Download the [COVID Alert app](#).
- Check the [Beach Webcam](#) to see if the Club is too crowded.
- Complete a [self-screening assessment](#). If you answered YES to any of the questions, do not go to the Club.
- CLUBHOUSE IS CLOSED.** Dress/put on equipment at home as much as possible.
- Bring your own equipment. Pack only essentials. Limit personal items as much as possible.
- Don't forget to bring masks or face coverings for each member coming with you.

AT THE CLUB

- If the Club is too crowded, come back another time.
- Know and adhere to Club's policies and procedures.
- Be ready to provide your name and contact information if it is required for public health contact tracing purposes.
- Respect [current provincial gathering limits](#).
- Keep your hands clean. Sanitizers are found on the door of every container. Avoid touching your face.
- Wear a mask or face covering at all times when inside the container and in the washroom.**
- Remain at least two meters from people you don't live with at all times or wear a mask or facial covering.**

AFTER THE ACTIVITY

- If your mask or face covering was removed, have it ready to put on as required by safety protocols.
- Clean or sanitize your hands and avoid touching your face.
- Pack up and head home immediately after the activity. Do not linger to socialize or otherwise.
